

METHODIST WOMEN'S STYLE SHOW AND LUNCHEON

Sermons, devotionals, even decorative plaques based on Matthew 5:16 are a part of our culture; everyone is familiar with the children's church song, *I'm Gonna Let It Shine* ... Taking that idea and using it as the theme of the Methodist Women's premier fall event shines light on the purpose of this group, which is that of service. Methodist Women help to fund projects as the Methodist Children's Home in Waco, provide funds for the local Salvation Army, Empty Stocking as well as other activities, and support HISD teachers and students in a myriad of ways. This is only a partial list of the projects the Methodist Women help fund.

And this is where **YOU** come in! Your presence and support helps that light reach out and shine into many corners of need. Your assistance – in the form of purchasing a ticket and attending the **24th Annual Style Show and Luncheon** – aids in raising the funds that ***shine light into other's lives.***

This year the latest fashions will be featured from five area boutiques: *Tis the Season* located on Hwy 83 in Hemphill, *PRIM'Z* located on the square in downtown Hemphill, *Lux*, located in Natchitoches, LA, *Heart Strings* on the square in San Augustine, and *LulaRoe – VIP Boutique*, a new way to shop from your easy chair; all shops are convenient for guests to visit following the show. Regardless of your fashion style, the MW Style Show will have appealing items for you or for that "perfect" gift for someone you love to love with a surprise. At minimum, twenty door prizes will be given to lucky attendees during the style show also.
